Presidents Message

## Fra President:

How was that VP Helen?? She ran a great January meeting, just about an hour and the open items mentioned such as our Trustee installation, I am aware of it, as well as our marshal who has not been installed but it will be addressed at our February meeting, we also have three members still to be initiated, when you meet only once a month timing is always a challenge.

Our Yankee exchange was a lot of fun, hope you got the gift you wanted. For myself, just doing the Odd "plunger" gag gift gave me a lot of satisfaction, boy do I miss his fun loving impact in Henrik Ibsen.

Here we are in February and almost out of the woods with winter, at lot can still happen but we at Henrik Ibsen can see a very busy spring ahead. Our Sports Director has "Bowling for Fun" scheduled for March 4<sup>th</sup> well under control and with Zone 1 bowling following on March 18<sup>th</sup> we should have great time. Remember Loyal Lodge is the host and they have invited us back to Norway Hall for Lapskaus after the tournament. I'm sure we will do well we have some great Henrik Ibsen bowlers. Be sure I will not challenge brother Olsen again from Peconic no matter what kind of split he may have. Last year it cost me a hundred dollars. Damn lucky Norwegian..... After Zone bowling John has a few more dates we will all enjoy. During the warmer weather a fishing date will be announced and I've asked him to arrange for nine holes of golf at a local course. Of course a visit to the 19<sup>th</sup> hole is planned even though we skipped holes 10 through 18. I'm sure you get my point. Talk to John if you're interested in playing some golf and by all means don't forget orienteering in the fall. What a great day for enjoying a true Norwegian event.

This month we need to nominate delegates to the District convention in June. This is the time to make a difference in our organization and to experience Sons of Norway fraternalism. If you are interested, nominations will be made from the floor at the February meeting so make your intentions known.....feel free to talk to me or anyone from the executive board about your concerns.

In follow-up of our January meeting action items, we need a parade bus chairman. It's rather simple job once you get passed getting everyone to sign up. We will be talking more about this at the February meeting

Peconic's Torsk dinner (Cod Fish) is March 10<sup>th</sup>, a list will sent around so we can tell them how many from Henrik Ibsen will be attending, Also, remember get in your "Bowling for Fun" team lists to John. One last thing, Brother's Night is in March so we need the brothers to commit to their cooking skills.

Please keep in mind we always need coffee volunteers, contact Darlene if you can assist. She will make a list available in February on who has signed up to date.

Most importantly, prior to our meeting I will be meeting with our Treasurer and we will have a proposed budget for us to vote on, it will also have the Board's approval. At this time I'm not sure on how to get the proposal to everyone in a timely fashion so it can be reviewed, maybe a mailing or maybe just some time at the beginning of the meeting to review it, I'll keep you posted.

Continue to keep the Sons of Norway spirit strong, we meet next on Friday February 17<sup>th</sup> when we will start by having Chinese food together starting at 7PM, followed by a short but of course a complete meeting.

Hilsen,

*Ken*

### How the fights start

It all began with an iPhone...

March was when our son celebrated his 17th birthday, and we got him an iPhone. He just loved it. Who wouldn't?  
I celebrated my birthday in July, and my wife made me very happy when she bought me an iPad.  
Our daughter's birthday was in August so we got her an iPod Touch.  
My wife celebrated her birthday in September so I got her an iRon.

And then the fight started....

What my wife failed to recognize is that the iRon can be integrated into the home network with the iWash, iCook and iClean.  
This inevitably activates the iNag reminder service.  
I should be out of the hospital next week!!

## FROM THE PRESIDENT

Publication of District 3, Sons of Norway

Website: <http://www.3dsofn.org>

Ralph Peterson President

Kathy Dollymore, Publicity/ Director

### Hei alle sammen

Most of us have put our Christmas decorations away and hopefully we can remember which box we put them in so next year's decorating will be easier.

While some lodges have held installations there still are several more that will happen shortly. I hope that we have large turnouts for these most important events.

While our overall membership has shrunk over the past year, the number of allotted local lodge delegates only dropped by 6. While the total number has dropped we expect a larger delegate turnout at the upcoming convention due to commitments by several lodges who have not attended previous conventions to attend this convention.

The number of visitors to our web site <http://www.3dsofn.org/home.html> continues to grow. In December of 2011 we had 7,889 visitors compared to 5,865 in December 2010. That is a daily average of 258. The same sections continue to draw large crowds i.e. 3D today, the blog, LOV and the schedule of events. We need your help in providing new material to the site. We especially, your local lodge and Zone events to be posted

The District board could use a little help. If any of you are working with or are familiar with "cloud" storage of files would you please contact me. With one hundred years of files we are having a problem finding a home for all our District documents.

Speaking of being 100 years old there are over thirty 3D members listed as being over 100 years old. We may have a couple members in that group but not this many. If each lodge would check their lodge on the SON web site and correct these obvious errors it would help us out.

But one group that is 100 years old, District Three, is still going strong. We have added more information to the Convention section of the web site <http://www.3dsofn.org/convention/index.html>.

In addition to the clothing currently on sale, your lodge should have received several of the convention pins that are for sale at the customary SON rate of \$5. I have to admit that they are among the nicer pins we have seen in a long time so look for them. I am wearing mine today. If you can't find the pin contact the convention chair.

We did make a slight comeback in membership the last quarter of 2011 as did the rest of the SON but we still need to see much more growth. Please take it upon yourself to sign up a member this year and sooner rather than latter.

I will be looking forward to meeting you this spring on my travels through the District.

Fraternally

Ralph Peterson  
President District 3

**On this page and the next 2 pages you will find a History of Henrik Ibsen Lodge that will be incorporated into the new Centennial Issue of the 3<sup>rd</sup> District History Book.**

**Asbjørn Lageraen**

But before that I hope that some of you have something to add. Unfortunately, Henrik Ibsen Lodge does not have any lodge building of their own and hence the history have disappeared over the years. Please read the below, and if you do have something that should be included please call me, send me an e-mail or letter and I will have in incorporated. My telephone # 516-420-0658, email: [Asbjorn44@msn.com](mailto:Asbjorn44@msn.com).

**HENRIK IBSEN LODGE #3-393**

**SONS OF NORWAY**

*Instituted March 11, 1934*

In 1934 Henrik Ibsen Lodge was destined to have its beginning. At a meeting held in Peder Nilsen's home, a question by Christ Myrvold to start a Lodge under the banner of Sons of Norway was heartily accepted. The aims and objectives of Sons of Norway were explained to the group by District 3 President Louis Olsen and Zone Director George Rostad. After discussion, questions and answers it was agreed that, on March 11, 1934, this new Lodge would have its institutional meeting. When the day arrived District President Olsen served as temporary President with members from Norge and Brooklyn Lodges filling the other Chairs. Henrik Ibsen #3-393 was officially launched with:

Peder Nilsen, Charter President, at the helm.

Charter members:

Lars Arvik	Olette Berg	Oscar S. Berg	Johan Bysheim
Orelia Bysheim	Agnes Danielsen	Olaf D. Danielsen	Sigurd Gatland
Elvira Hansen	Lars Hansen	Selma N. Henning	Laurence Martinsen
Ida Mathisen	Lars Mathisen	Serina Nelson	Jenny Nilsen
Peder O. Nilsen	Adolph G. Torkelsen	John G. Torkelsen	Olga Torkelsen
Osmund N. Torkelsen	Nils Walderhaug	Dora D. Wick	Jesse Wick
Petter Wick	Johanne Wilkelmsen	Peter Wilkelmsen	

On May 28, 1934, Henrik Ibsen celebrated this occasion with an opening festival in Forester's Hall, Bay Shore. Seven lodges were represented on the occasion.

Today we still have daughters and sons of the Charter member such as:

Helen Nelson Timoney

Marge Nelson Duckles

Shirley Gatland

The Long Island Zone Committee has also benefited from the participation of many Ibsen members. June and David Morris both have served as Zone Chairman as well as Ken Johnson and Asbjørn Lageraen. Perhaps the most outstanding contribution was by Finn Carlstadt, who served as Treasurer for 25 years.

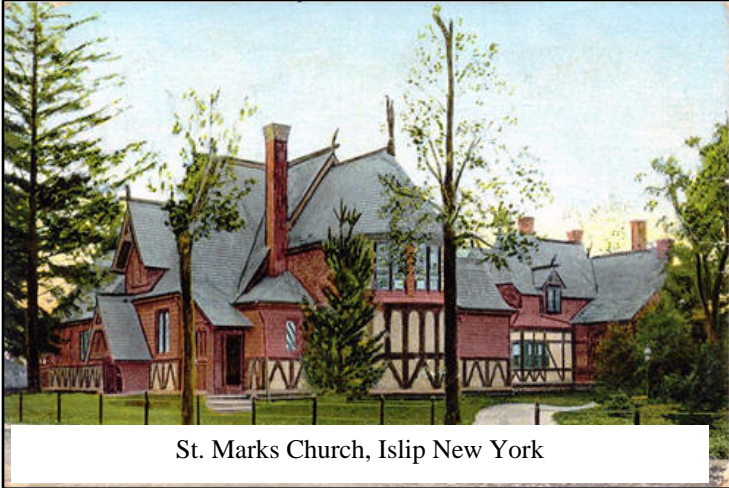

Ibsen members have provided outstanding support to Land of the Vikings since the acquisition of that property in 1978. We have been there in work parties, including the first one in November 1978, and as paying guests and financial contributors.

David Morris served as Operating Group (LOV, Ltd.) Treasurer from August 1980 until December 1982. During that same period June Morris served on the Marketing Committee as Editor of "LOV NOTES." The Ladies Auxiliary, with strong support from Helen Amlie, Gerd Eide, Elsie Dee, Karin Nyhus and Trudy Stensaker, was started with the idea of helping to promote a building fund.

The members of Henrik Ibsen were the major participants in the original Male Chorus as well as the now defunct Mixed Chorus John Amlie, Erling Kjekka, Kris Hausken, Godfried Vik and Rolf Stensaker were prime mover in organizing the original Long Island Zone Male Chorus.

## St. Marks Church, Islip New York

Following the fire December 1989 at St. Mark's Episcopal Church in Islip, a replica of a Norwegian Stave Church, designed by Richard Morris Hunt and a gift from William K. Vanderbilt. The Lodge donated \$1000 as well as labor by Odd Gabrielsen, Godfried Vik, Kris Hausken and Arther Michalsen to the restoration of the church.

Fran and Wilbur (Rusty) Anderson chaired the Ways and Means Committee for the 1984 Supreme Convention. Profits from that effort were used to Zone one which became the beginning of the Long Island Zone Scholarship Fund. During the World War II years, Henrik Ibsen participated, along with many other Lodges, in providing morale-boosting services to our armed forces overseas.

Another service of recent years is the Christmas food basket distribution to needy families in the community. Other than founding members, it is often times difficult to single out and mention those who have served Henrik Ibsen Lodge and Sons of Norway.

It is of historical interest to note that June Morris is the first woman to serve as Lodge President, Zone 2 Director, Zone 2 International Lodge Delegate, and the only Zone 2 Director to be elected to two consecutive terms up to that time.

*On September 13, 1936 a severe landslide followed by a 12 foot high wave across the Loen lake, in Sogn, Norway submerged Farms across the lake, where 78 people died. Henrik Ibsen donated money to both Loen as well as aid to the flood stricken areas in the Midwest in 1938.*
