Dear Lodge Members:

Restauration Lodge #555 and Fredriksten Lodge #125 are hosting the 2010 Third District Convention at the Harrisburg Holiday Inn and Conference Center.

As in the past there will be a Viking Auction at this event and it is our intention to donate a percentage of the net income to the worthy Third District Charitable Trust.

We are requesting donations of prize items and or money for the Friday evening auction table. The committee will use the money donated to purchase items for the auction. Please consider supporting this event. Let us look forward to a great evening.

This auction has always been very successful in the years past. It is our belief that your interest and support will make this convention's auction the very best ever.

Please send prize items and checks to:-

2010 Convention Committee
