SONS OF NORWAY

Shared values. A simple promise.

Third District Today "Light"

The mission of Sons of Norway is to promote and to preserve the heritage and culture of Norway, to celebrate our relationship with other Nordic countries, and to provide quality insurance and financial products to its members.

President's Message

Third District President Mary Andersen writes about past joys of holidays with her lodge as well as hopes for the future as she contemplates the end of her service as district president.

Culture

Cultural Director Gail Martinsen's December report shares more Norwegian word origins; reviews a book about Leif Erikson written by Oslo Lodge member Milton Franson; shares the story of Annie Hov, credited with creating what we now know as "brunost," or brown cheese; and offers several wonderful-looking Christmas season recipes!
