District 3 Lodge Presidents/Secretaries,

We would like to arrange for a golf outing during the District Convention in Hauppauge in June 2018. The only possible day we could do that would be on Wednesday, June 6. I am sending this to you as a "heads up," asking that you share this with your members. We will follow up with more information as we get closer to the Convention, but I can tell you that the hope is to make arrangements with a course within about 30 minutes drive from the Convention hotel, and it would have to be early enough for the golfers to attend the Memorial Service later that day. Please keep in mind that you **do not** have to be a delegate to join us for the golf. Also keep in mind that District Lodge committees will presumably be at work at that time, or at least start work on Wednesday. Delegates who have any aspirations or expectations to be on committees will not be able to play golf.

It would be helpful if you could give me an indication of interest in your lodge in participating in a golf outing, as it would be useful to have an idea of numbers when contacting golf courses.

I would appreciate hearing from you about possible participation no later than early next year, following which I will make arrangements with a suitable golf course.

Fraternally,

Audun Gythfeldt
