Dear Third District Local Lodge Leaders,

## WE NEED YOUR HELP

In an effort to make The Third District Youth Camp an even more valuable and enjoyable experience for our younger members (who are the future of our order), the Youth Camp will now be offered for either 1 week or 2 weeks. For the past 2 years, we have had one week of camp for what prior to that had been 2 separate age groups. This has worked out so well, with many positive comments that the Third District Board has decided to continue to allow children between the ages of 8 to 15 to attend camp together. This will allow kids to stay at camp for both weeks if they so desire. One comment we heard from many campers was, there just was not enough time to complete everything we started. The camp will be designed so that campers can attend either week or both weeks. This year camp will run from July 9 to July 22. Of course, this can only happen if we have enough campers, counselors, and support staff.

Applications for camp director, counselors, and campers are all attached and I ask that you please get a copy to any interested member. If you have any questions, contact me at (H) 631 849 2287 (C) 631 398 2080 or at [dancnswede@optonline.net](mailto:dancnswede@optonline.net).

[Please share this request with all your members and please encourage your children and grandchildren to attend this wonderful cultural experience.](#)

Fraternally,  
Susan Olson  
3D Youth Director
