## Third District Today "Light"

The mission of Sons of Norway is to promote and to preserve the heritage and culture of Norway, to celebrate our relationship with other Nordic countries, and to provide quality insurance and financial products to its members.

### Fra Presidenten, Mary B. Andersen

As mentioned last month, we are trying something different this month! We don't know if this will be the future look of the TDT so expect something different each month. Heritage and culture are big reasons why people join Sons of Norway. This month we have a lot of culture, some LOV and pictures from around the District. A great big thank you to Cultural Director Gail Martinsen and LOV Secretary Barbara Berntsen for contributing to this month's TDT "Light". Just remember to click on any link to read a story of interest.

[March 2017 President's Message](#) - know your Norse mythology and your Norwegian fish!

### Culture

There's lots to enjoy in this issue! Check out our review of a mystery novel from the "Inspector Erlendur" series. You'll also find recipes for Smultringer and Fleskepannekaker. Don't know what they are? Guess you had better check them out then! And 3D is announcing a new culture competition!

### LOV News

LOV shares an important change to their rates now in effect, and has some impressive photos from their recent Ski-For-Light weekend!

## Charitable Trust

3D Counselor Peter Hansen explains what the Charitable Trust is and how it works. There's also opportunity to donate, plus a great fundraising tip for your lodge!

## Photos!
