Support the District’s Charitable Giving

District 3 supports several areas of charitable giving: the long-standing Charitable Trust, the SON Foundation and Alzheimer’s. The traditional Viking Auction is Saturday evening during a fun event at the hotel. Lodges and individuals may participate by making a donation such as a gift item, a gift card or cash donation of \$40-\$50 that the Viking Auction Committee can use to purchase gift items. The Committee would like the cash donation by May 1 so we can prepare. We thank you for any item that you choose to donate. We are having a “Christmas in June” area, so consider an item for that section. Your name or that of the lodge will be included in the donor list. You or your delegate(s) may bring the gift item(s) to the convention, but it is helpful to know ahead of time for display purposes what the gift is. Our Lodge Cultural Director Anna Large is coordinating the auction items, so here is her contact information:
